Instructions to reach Wrapology Ltd

By Tube: *Approximately 5 minutes walk from the tube station.*

North Acton is the closest tube station. Turn left out of the station and up the slope towards Victoria Road. In front of the station is the entrance to Park Royal Estate. Walk through the car barrier and you will see Monarch House in front. Bear right down the hill, turn right at the bottom of the hill and continue to the end of the stretch, passing Mercedes on your right and MKOne on your left. Wrapology is at Unit 22; the unit at the far end on the corner.

By Car: *Approximately 5 minutes drive from the A40 (both directions)*

Free parking is available and we are not in the congestion zone. Do not follow instructions from a satellite system as it will take you to a locked back gate on Wales Farm Road; instead if using such a system, programme in North Acton Tube.

From Central London

Due to the one way system, the easiest route to follow from Central London is on the A40. Turn right onto Old Oak Common Lane (no hard right turn so follow signs to Willesden which will take you left, then right alongside Homebase and then over the A40 onto Old Oak Common Road.)

Keep straight on Old Oak Common Lane, passing Castle Builders, under a railway bridge then over the hump back bridge over tracks until traffic lights are reached at the bottom of the hill. Turn left onto Victoria Road driving back towards the A40, passing John Lewis Distribution Centre and Boden on your left. Turn left into the estate opposite North Acton tube station. The entrance to the Estate is just before the traffic lights which take you straight onto Wales Farm Road or sharp right onto the continuation of Victoria Road.

From the West

Head along the A40 towards Central London, West End, ignoring early signs to Park Royal Ind Estate (west). At Gypsy Corner (look for the GEEK SQUAD building just ahead on your left beyond the turn), turn left (**not sharp left that takes you to ASDA**) into the lane signed Willesden and Harlesden. Bear right, keeping to the left hand lane, so Carphone Warehouse is on your right, **but be careful to take immediate left at lights away from the A40**. Keep straight, heading north up Victoria Road, with the Perfume Factory on your right and the Castle pub on your corner left. Go straight over the lights, taking the first right into Victoria Industrial Estate (gateway is immediately opposite North Acton tube).
